

STEP 2: Sketch

For each quote you will create a picture or sketch, with the quote in the center of the page. Your picture or sketch will go around the quote and can be one of the following:

- An **image** (drawing/illustration of what the quote is describing)
- A **symbol** - an item or group of items that connect with the person or event
- An **actual scene** from the story illustrating what is happening at that point in the story

WHEN YOU RETURN IN SEPTEMBER BRING YOUR POST-ITS AND SKETCH PAGES!
