Teen Summer Reading Program
7th – 12th Grade

This year teens will be reading for Carriagetown Robotics. It is a collaboration between Amesbury High School and Sparhawk High School. Their FIRST Robotics team is housed at Sparhawk Upper School, and the team meets after school in their Innovation lab.

When you come to a library program, do random acts of kindness, or read you will be helping the Carriagetown Robotics Team.

Ways to earn raffle tickets:

Come to programs
- Read a book (Reading a book from the AMS & AHS Summer Reading List counts)
- Write a review
- Read a magazine
- Do a random Act of Kindness

Prizes are located in the glass case in the Teen Lounge in the lower level of the library.

To register for the Teen Summer Reading Program please go to https://amesburylibrary.beanstack.org

Design a Bookmark Contest (Earn a raffle ticket)

Pick up your form at the library and create a bookmark using the theme “How would you tell your story to the universe?” You may use pens, markers, and colored pencils. Return your form with your design by August 10. All designs will be judged by staff. The winning bookmarks will be reproduced and printed to be given out to library patrons.
